All other unnamed routes, such as Turkey, have their last conventional departure in the previous week. The second mentioned departure is optional, depending on the respective shipment sizes and distances as well as temporal parameters.

Between Christmas and New Year, we are also on the road with our truck fleet. Since the loading volume is limited during this time, we ask for a separate coordination with you known contact person from our sales and customer service.

In the New Year 2021, our traffic with regular departures will start on Monday, 04.01.2021, our domestic groupage network will start on Tuesday 05.01.2021. However, we ask to consider the international holiday on Wednesday 06.01.2021, which, for example in Spain or Austria, has a truck driving ban result.

If you have questions we are very happy to help and wish you a nice autumn and advent season.

Stay safe!

Yours faithfully,
